RUSSIANS HOLD GATES TO HUNGARY

THE APPETIZING GRAPEFRUIT

To serve Grapefruit for breakfast, prepare by cutting it across, remove the seeds, and with a sharp knife cut the particles from the fibrous portion and from the white part of the skin. Cut out the core and fill the hole thus made with sugar.

For luncheon, remove the pulp from the shell, break up in small pieces and serve in sherbert glasses. Sprinkle generously with sugar and pour grape juice over all. This makes a pretty and appetizing first course.

Choicest Florida Grapefruit at 3 for 25c and 4 for 25c

Stroud, Okla., March 27.—Eleven men robbed two banks here this morning of \$5,000.

The men were unmasked and rode into Stroud at 10 o'clock this forenoon. They left their horses in the stock yards. They divided, one party walking into the Stroud National Bank and the other into the First National Bank. As they came out armed citizens began pouring into the streets, firing. Paul Curry, aged 16 years, single handed, wounded and captured one robber, Henry Starr, on whose head there is \$1,000 State reward. The other ten escaped on their horses. Within thirty minutes the citizens had overtaken and headed them off. By noon 300 men had them surrounded in a draw two miles from here.

Bill Estes, another robber, was shot and captured a mile from town. One thousand dollars was found in Starr's pockets.
